MAXUM

Concentrated Cleaner Degreaser

CHEMSAFE NUMBER 21077

DESCRIPTION

MAXUM is a highly concentrated, multi-purpose, economical, water-based cleaner and degreaser. It is designed for multiple cleaning functions, even at high dilution ratios. It effectively removes a wide variety of greases and oils that are not attacked by ordinary cleaners and degreasers. It is a lime green colored liquid with a pine fragrance. MAXUM contains NO ACIDS. Contains a blend of chelating agents to make it effective when used in hard or soft water.

FEATURES AND BENEFITS

Versatile: Works on many soils and many surfaces. Use in hot or cold water. Contains powerful cleaning agents. Economical: Concentrated. May be used at very high dilution ratios. Cleans quickly, saving labor, saving dollars, saving time. Its versatility eliminates the need for additional cleaners.

APPLICATIONS AND USES

Use in dip tank cleaners, automatic floor scrubbers, steam cleaning units, mop buckets and trigger sprayers to clean where mild cleaners fail and harsh caustics may do damage. MAXUM is designed for cleaning equipment, parts, tools, walls, floors and much more.

DIRECTIONS FOR USE

Dilute concentrated MAXUM according to cleaning requirements. Apply solution to surface, when possible allow a short time for soil penetration. For painted surfaces, test in an inconspicuous area when using for the first time. Contact your local CHEMSAFE representative for further information.

Light Duty 128:1
Medium Duty 64:1
Heavy Duty 20:1

Under the previous USDA FSIS guidelines, MAXUM would have had a C1 rating.
